MONTANA JUDGE NAMED.

President Taft Ready to Decide Contest Over Vacancy.

President Taft has about reached a decision to nominate Carl Rasch, of Helena, Mont., as United States district judge for the district of Montana, to succeed William H. Hunt, who resigned to accept a place as judge of the new customs court at Helena.

Mr. Rasch is now in Washington assisting John J. Ventres, attorney for Secretary Ballinger. The judgeship vacancy led to a sharp contest. Each of the Senators suggested the name of a candidate, and when Judge Hunt arrived, a few days ago, to take his new office he recommended a third man.

After trying to agree at a number of conferences, the name of Carl Rasch was suggested and met with favor from Judge Hunt. Rasch was for seven years United States attorney for the district of Montana.

It was because of his familiarity with land laws that he was invited to appear in the Ballinger-Pinchot investigation.

Y. W. C. A. BREAKS GROUND.

Attended by appropriate exercises, ground was broken yesterday for the vacation house of the Y. W. C. A., at Cherrysdale, Va.

Rev. Dr. Samuel H. Greene, of Calvary Baptist Church, delivered the dedicatory address, in which he spoke of the work done by the vacation house movement and other branches of the association.

The actual breaking of the ground was done by Miss Imogene James, president of the Indoor-Outdoor Club, to which the building was dedicated. Dr. Ada R. Thomas read a scripture lesson, and a prayer of benediction by General Secretary Florence M. Brown concluded the exercises.

Following the exercises, long country walks were taken by the party. It is possible that the vacation house will be in readiness by the middle of July, and about \$25,000 more is needed to complete it. At present \$3,800 has been contributed toward its erection, and the building, when all is completed, will be up to date.

SUPPORT PLEDGED TO MEMORIAL FUND

Washington Finance Committee Organized.

TRIBUTE TO FIRST PRESIDENT

Citizens Urged to Co-operate with George Washington Memorial Association in Building Mammoth Auditorium—Mrs. Dimock Votes Plea—W. V. Cox Named Chairman.

Washington's first step toward raising \$2,000,000 for the erection of an auditorium as a tribute to the memory of the first President was taken yesterday afternoon at a meeting at the Willard, when a committee on finance was organized.

The committee will co-operate with the George Washington Memorial Association in soliciting funds and in planning the building of a mammoth auditorium. Mrs. Henry F. Dimock, president of the association, delivered an address outlining the project and making a plea to the citizens of the National Capital for aid.

Nation Looks to Capital.

"The eyes of the nation are on Washington," said Mrs. Dimock, "and the States are waiting for this city to take the initial step. If the National Capital will lead, the States will follow."

Following other addresses, the committee was organized with W. V. Cox as chairman, Henry P. Blair, secretary, and William D. Hoover, treasurer. The chairman was authorized to appoint six persons, who, with the officers of the committee, will form the executive committee. Henry P. Blair will be a member of the executive committee.

Activity in soliciting money will begin at once. It is proposed that persons who pledged funds toward the erection of an auditorium in this city which was to be built with money donated only by residents of Washington, be requested to transfer their pledges toward the erection of the auditorium to be built by the George Washington Memorial Association.

Mrs. Dimock is sanguine concerning the project. She said: "It is my intention to meet you in this auditorium three years from March 4 next. The building is to be a tribute to the 'Father of Our Country,' who, in his farewell address, said: 'Promote, then, as an object of primary importance, institutions for the general diffusion of knowledge.'"

A Lasting Tribute.

"Such will be the auditorium to his memory. We want everybody to help. When I go to persons not living in Washington, I am asked: 'What has Washington done?'"
